

## Canapés and Finger Food (Small chops)

Our hand -made hot canapés are ideal as finger foods for Cocktail Parties, Drink receptions, Working Lunches and meetings. They are excellent appetizers or could be served as starters with all Catering packages or served as part of the dinner as finger buffet or Afters at Events

We offer Hot Canapés/Small Chops service bespoke for all classes of Events as full service when we prepare the order fresh on site at the Venue.

They can also be pre-ordered and delivered ready to eat to your venue in platters of different shapes and sizes at budget friendly prices.
